

2010 Carl Moyer On-Road Heavy Duty Voucher Incentive Program

The VIP provides a rapid turnaround funding opportunity to help small fleets (3 or fewer trucks) replace older higher-polluting vehicles with new lower-emission vehicles. VIP offers small fleets a voucher through AQMD-Approved Participating Dealers to lower the cost of a new or qualifying used truck.

PROGRAM HIGHLIGHTS

- Up to \$45,000 available for each new truck
- Up to \$35,000 available for each used truck (Engine MY 2007 or newer emissions-compliant)
- Up to \$10,000 available for retrofits
- First-come, first-served funding
- Approved dealers submit your application. Approved voucher amounts will be deducted from the total cost of the truck
- Rapid response time: applicant will be notified within 5 business days whether the application was approved
- No contract required with the AQMD
- Total program funds—9.5 million (available *now!*)

QUALIFICATION REQUIREMENTS

- Limited to small fleets and owners with 1-3 heavy-duty diesel vehicles
- Drayage trucks and trucks that have historical drayage operation within the past 2 years are not eligible.
- Vehicle being replaced must be a model pre-2003 or older
- Truck must have a GVWR over 19,501 pounds
- Truck is operational and has been registered in California for each of the last two years (seasonal registration is acceptable)
- Truck must have documented mileage 75% in California for last two years
